BRIEF ABSTRACT OF LETTER

States that he has appted M D Alasingacharlu an accountant in his office as accountant in the Chamarajendra Tech Inst on Rs 50 rising to Rs 75 by annual increments of Rs 5 and requests approval to the arrangement regarding the increments, and also states that he will retain the present Store-keeper of the Ind School G K Subramanya Iyengar

as Time keeper in the Workshop until he is provided with a suitable place elsewhere as there is no place for him under the revised scale of Establishment

In the G O sanctioning the organisation of the Chamarajendra Technical Institute, provision has

GIB 3 000 1 0 12

Serial No

been made for an accountant the pay of the appointment being fixed at Rs 50 as minimum and at Rs 75 as maximum Nothing has been stated as to how the increase should be given effect to & and the DG now recommends an annual increment of Rs 5 for the purpose

A graded appt was not contemplated I think It was to be on a fixed pay between 50 & 75 Rs

2 In this connection it is a matter for consideration that Mr D Narasingachar is a third accountant in the office of the DG and his pay is Rs 40 which he has been getting from 1 7 11 His qualifications are that he is a matriculate and has not passed any of the local service examinations not even the Accounts Exn which would better qualify [illegible] a person to hold the appt of the accountant in [illegible] of an important Institute If no suitable candidate was forthcoming the DG would have should have notified the appt and called for applications

* K

3 As regards the Store-keeper of the Int School wh the DG states [illegible] that there is no [illegible] place for the present man it will be seen (from the ep refd to above) that there is a [illegible] for one Store-clerk whose pay has been fixed at Rs 30 minimum & Rs 40 maximum As the pay of * G K Narasinga Iyengar is stated

The Store clerk's place on pay Rs 30 to 40 is said to have been given to the existing clerk by Lakshmanarangappa on ~~[illegible]~~ pay ~~of~~ Rs 35 for which there seems to be no objection No doubt there is no place on Rs 30 for the present Store keeper in the Revised Scale but the Revised Scale provides for a clerk's place on Rs 20 to 25 It is not clear why the present Storekeeper Sy K Srinivasa Iyengar should not be given this place, he being given his own pay of Rs 30 as a Special case till he is otherwise provided for This measure will reduce the extra cost to a minimum The Dy's proposal to treat him as a Supernumerary entails a temporary extra cost of Rs 30 p m against Rs 5 p m which is the amount absolutely required in the circumstances of the case

ABSTRACT

Sir,

We, the citizens of Mysore, most humbly beg to bring to your kind notice that we hear that the I G of Education was kind enough to give appointmente orders to the new Chamarajandra Technical Institute, in which order, we hear that he has placed incompetent hands in the place of competent ones after removing them from their respective places. In the budget of the new Chamarajendra Technical Institute increment has been sanctioned to almost all the officials of the Institute, whereas, the I G we hear has transferred one Alasingrachar, III Accountant of his Office who was getting only Rs 40/- per mensem to the said Institute as an accountant on Rs 50-5-75 Is it not strange to do like this giving increment only to his man and to none else of the said School Is it proper on the part of the Head of the Department to do such kind of unjustice All these will not come into your kind notice unless we bring them to you and so we have brought this to your kind notice which we hope will be set right So, we pray that you will deeply look into the Budget sanctioned and the recent appointment orders passed, at your leisure hours As you are now very busily engaged with other works of the state we hope that you will issue orders at once that the new appointment orders should not be given effect to until you see them personally and give orders Till then the pay bill is to be drawn as per old Budget of the Government Indistrial School, Mysore

We beg to remain,

S i r

Your most humble citizens
